WILMINGTON'S NEW TOWN MANAGER

HORSE SHOW AND FIELD DAY

Officers and members of the Wilmington Youth Canteen, Inc., have big plans for the future, which eventually will prove beneficial to our town. Plans on expanding and developing their program, have given them a full schedule.

They are to hold an open bi-weekly dance at the Wildwood School, this Saturday, at 8 p.m. featuring the "Nite-Train Combo." Admission for all teenagers, members or not, will be 75¢. Refreshments will be on hand for the hungry crowd.

On Saturday, August 15, the Canteen presents an Open Horse Show and Field Day at Jensen's Farm on Andover Street, North Wilmington. All horse lovers in Wilmington and surrounding towns are cordially invited to participate in the Show.

Classes to be scheduled will be announced at a later date.

Booths with skilled games, made by the youth members are expected to attract a large gathering during the course of the day. These booths will be operated by the youth members, and they hope to see all their friends at that time.

Events of the day are being planned so that persons, in any age group, will find some attraction to participate in.

In charge of the Horse Show is Mrs. Marge Dupras, 45 Andover Street, OL8-3539 and co-chairman, Yvonne Allen 443 Middlesex Ave., North Wilmington, OL8-2154.

Chairman of the day is Irving Pfau, 314 Salem St., OL8-8872.

Homemade baked goods will be gracefully accepted for their Cake Sale, held at one of the booths, and anyone interested in making a donation, may do so by calling Carolyn Luken, OL8-3977. Also articles for their White Elephant booth will be gladly accepted.

This is their big day of the year, so the cooperation of all is needed. The members who are responsible for this event are interested in the youth of our town, and are working for a goal that everyone will be proud of. Try to attend and make this day a success for them!

TRUCK ROADBLOCK OPERATION STALLED

At a special Selectmen's meeting last Monday night, a report from the Acting Town Manager concerning a series of events which started last week around a gravel removal operation, was read.

In a chronological order, the report stated that Building Inspector, Minot Anderson, discovered that the trucks being used by Bayer and Mingolla to remove gravel from land in back of the Snyder property were trespassing across a portion of town owned land. The town Consul advised the Board of Selectmen to sign a complaint against further trespassing on town property.

Two days later (Wednesday) Attys Buzzell and Higginson called acting T.M. and advised him to station a police station at the town property adjoining the Snyder land. Acting T.M. instructed Sgt. Imbimbo to place an officer at this point. Sgt. Imbimbo reported that trucks operated by Bayer & Mingolla had stopped, as well as the Buduc trucks.

Under the provisions of volume #9 the annotated laws of the Commonwealth 266-122, signs are to be made posting the land in the following manner-- 'Town Property-No Trespassing,' per order of Board of Selectmen and Water Commissioners. The water department was ordered to get signs.

At 3:30 the same day, Acting T.M. received a phone call from Mr. Steve Hathaway to the effect that the town had no right to block passage of these trucks and he was going to place attachments on the property of the Acting T.M. and the Board of Selectmen. Mr. Hathaway claims that there is a right of way across the town property. Acting T.M. asked Mr. Hathaway to produce the deed of plan showing such right and he refused to do so, stating that the plan would be shown in court.

The Acting T.M. that due to the lateness of the hour and question of right of way, he would order the police removed.

Thursday--Acting T.M. called Town Consul Buzzell and Higginson again about the existing situation. Mr. Buzzell affirmed the position taken by the T.M. He (Buzzell) further advised that the town trucks would be placed across the street where the trucks would be passing back and forth to the Snyder property, posting a guard to see that they were not disturbed, and the posting of the land.

Monday night--Selectmen's meeting--after the latter was read, the Board of Selectmen decided to act according to the advice of Town Consul Buzzell and instructed Acting T.M. Pat Thibeau to proceed.

Tuesday morning--a dismal daybreak with the weather suffering with a hangover from the previous night's behavior, found Acting T.M. in his office, giving instructions to Sgt. John Imbimbo to put into effect 'Operation Truck Roadblock.'

In the meanwhile, Mr. Hathaway was putting his own ideas to work and posted a sign on his driveway from the old Abandoned Railroad bed warning

against trespassers. Town Engineer George Maynard drove up on the scene with an assistant surveyor, in order to place stakes on the portion of land in question. Observing the no trespassing sign, they left, only to return a little later and take off by foot, across the town owned part of land to place the location stakes.

Mr. Hathaway then met with Sgt. Imbimbo at the town hall to study the plot plan of the section of land in question. It was revealed, according to Tax Assessor Webber's plan, that Mr. Hathaway's land ran adjoining town owned land, in such a manner that the road crossed over a small section of town owned property. In order to place town trucks across that piece of town property, the town would have to drive over Hathaway's property, which he refused to allow. The only alternative would be to build a road across the wooded land that the town owns, up to that point of land in question.

Mr. Hathaway admitted to crossing over town land, but stated that he had a right of way to it. He refused to produce it, saying that his attorney would at the proper time.

The fact that the question of right of way exists, caused the delay on 'Operation Truck Roadblock' pending a search of the title deeds to see if the right exists. Mrs. Sheldon was to go to Lowell to investigate.

At Wednesday noon, the situation was at an impasse. Whatever Mrs. Sheldon found at the Registry of Deeds was being sent over to Town Consul Buzzell for further approval. The gravel trucks are still traveling.

ACTING TOWN MANAGER WANTS TO ACT NO MORE

In a letter to the Board of Selectmen, Health Agent Pat Thibeau expressed his thanks to the Board for their faith in him as acting Town Manager; but felt that his job in the Health Department would not allow him to continue to do so until the newly elected Town Manager takes office.

The Board accepted his letter, but at that time (Monday night) did not designate any one person to act as Town Manager.

CHRISTIES VISIT CAPE

Mr. and Mrs. Ralph Christie of Eames St., returned on Saturday following a visit to Brewster, Mass., where they stayed with Mrs. Christie's sister, Mrs. Ralph Hayward of New Jersey who were also in Brewster on vacation.

The Christies were accompanied on their trip by their three children, Beth, Margie and Ralph.

SPECIAL TOWN MEETING

At a special meeting of the Board of Selectmen, called by Chairman Kidder, it was voted that a special town meeting would be held at the Barrows Auditorium (High School) on Monday, August 17.

This special town meeting is to be held for the express purpose of rescinding the vote of the people at the annual town meeting, last March, on those articles pertaining to the bond issues for the Highway Garage and Police Station.

The bonding company refused the deeds on the grounds that the vote of the town meeting last March was illegal, due to a technicality of omission of proper notification of the Finance Committee.

This meeting will call for either a ratification on rescinding of those articles, and a new vote to be taken on same. Closing date for insertion of articles will be Monday July 27, 9 p.m.

This will be the third special town meeting called since the annual town meeting in March. The Selectmen were worried about obtaining a quorum in order to open the meeting, a quorum being 150 people.

Should a quorum fail to attend, the Highway Garage and Police Station building program will be seriously delayed.

DENIED SUNDAY

LICENSES ISSUED

Three Sunday victuallers' licenses previously denied by the Board of Selectmen were voted upon in favor of by the Board, last Monday night.

The stores that will receive their permits are: Stevens' Supermarket, Lucci's Market and John Elia's Market.

On a motion by Selectmen DeFelice that these stores be granted a permit, DeFelice argued that in view of a feeling of being discriminated against, on the part of these owners, the permits will be granted in accordance to ordinances governing such. He further added that the enforcement of these licenses will be directly in the hands of the police department.

Hagerty asked what would happen if the Demoulas Shopping Center applies for the same type permit to which DeFelice replied 'give it to them, with the same restrictions.'

It was pointed out that there were only a few items that could be sold on Sundays, and that the hours from day-break to 10 a.m. and from 4 to 6 p.m.

A final vote was taken on the motion, seconded by Mrs. Drew, and showed 3 in favor for and Selectman Hagerty opposed.

POLICE STATION????

Three years ago, the town voted to build a new police station. Two years ago the town voted to build a new police station, on a certain location. Last year, the town voted to build a police station, on another location. The Building Committee has been seeking a proper site. The erection has been long delayed.

Now comes a plan from the Urban Renewal Project, showing plans for a police station at the spot that is now occupied by the buildings close to the post office.

HOW COME?? Doesn't anyone know what the other fellow is doing?

As Police Chief Paul Lynch stated at an annual town meeting last year, "I can't beat them, I can't join them, what do I do?"

All Chief Lynch wants is his police station, why can't he get it?

If we have got to vote again on the police station article, and if Urban Renewal has definite plans for a police station, how are we, the citizens to know what to vote, and if— or when.

CITIZENS PARTICIPATION FOR URBAN RENEWAL

The solution of any urban difficulty can come only with wide understanding of its nature.

One of the most difficult urban development problems is the securing of citizen help in the solution of urban problems particularly related to development.

Since Urban Renewal is basically a community undertaking, an urban renewal program is a matter of direct concern to every citizen, organized group, and business enterprise interested in furthering community development and welfare.

The Federal Government thru appropriate legislation has recognized the serious problems communities face in overcoming developmental defects that retard and stifle sound community growth.

One specific aid is the law authorizing assistance to slum clearance and urban renewal under title I of the Housing Act of 1949, as amended.

As a part of this legisla-

tion urban renewal is a technique and a method that offers to any well managed community the opportunity to do something about the areas that need renewal for promoting sound community growth.

It is, therefore, quite important that there be a general understanding by the citizens of a community of the techniques and methods involved in the Urban Renewal Program being undertaken in different communities throughout the United States.

The Town of Wilmington is one such community engaged in Urban Renewal.

To the end of promoting a wider understanding of Urban Renewal and the advantages it offers the Town of Wilmington the "Citizens Participation Committee" was appointed in April, 1959.

The objective of this committee is for community-wide participation on the part of individuals, and representative Citizens' organizations which will help to provide, both in the community generally, and in selected areas, the understanding and support

TALK OF THE TOWN

By HANK FILIPPONE

THE CHUCKLE OF THE WEEK is the liberal interpretation of Campanella's and Cardi's action against our former town manager in the wake of the Andover Street rhubarb last April, as depicted by that other paper. This paper knows that Mr. Sheppard is very capable of acting in the best for his clients and is certainly not indulging in personal matters. The truth of the matter is that action was started some time ago, not, as the other paper says, two days before the T.M.'s resignation. This paper is wondering if Mr. Sheppard might not take time off from a busy work day and take offense to the reference 'Harrassment Tactics.'

The cook-out, held at the home of State Representative, Thomas Donohue in Woburn, last Sunday, entertained some 80 people with all the trimmings. Showing a keen eyesight and a healthy respect for the peculiar weather we've been having this summer, Rep. Donohue provided a large tent in anticipation of any weather. Yes, you guessed it, it rained and rained, but no one got wet and everyone had their barbecued chicken in comfort. Nice figuring--Tom.

Selectmen DeFelice took a direct approach to a problem, Monday night, when he moved and argued in favor of granting Sunday license to 3 previously denied storekeepers. Feeling that all operating stores should be granted same privileges, Nick placed the responsibility of enforcing the laws governing the licenses directly in the hands of the police department. It was gratifying to see a decisive step in a direction, be it one way or another.

One way that Pat Thibeau intends to keep his pleasant disposition is his refusing to continue to act as T.M. after Friday. He didn't get out quick enough, and got entangled with that messy old gravel problem.

The first case that Attorney Higginson (acting for the town in the gravel cases) ever tried was against Attorney Richard Sheppard, Counsel for the Gravel Company. He sure picked a beaut to break in against. It is rumored that Atty. Sheppard invited Atty Higginson to look up the controversial right of way across the town owned property but there were no takers.

which is necessary to insure success to the Wilmington Urban Renewal Program. The form for this participation in Wilmington is in the form of a "Citizen Advisory Committee". This committee headed by Mr. Frederick Arsenault, Del Drive Wilmington and consisting of other prominent citizens were appointed by the Town Manager.

The success of the committee is dependent on the knowledge of, and interest in, the Urban Renewal Program on the part of its members, and on its representative composition.

Frequently members of the committee or subcommittee are given responsibility for participation in development of policy with respect to various important aspects of the Urban Renewal Program. Therefore, since Urban Renewal in Wilmington is basically a community undertaking, it is a program of direct concern to every citizen and especially the "Citizen Advisory Committee" interested in the community's improvement and in doing something about the blight and slum conditions in the community.

If, you are a citizen or civic leader, you can help by: (A) Arousing interest and understanding of the Urban Renewal needs and plans in Wilmington through personal efforts, civic organizations and the 'citizens' advisory committee. (B) Keeping informed through officials of the Wilmington Housing Authority and the newspapers on what is being done and is planned.

NEWBURYPORT HAS MANY
THRILLS FOR ALL AGES**

"Fort Apache," a vital outpost of the west of the 1800's is duplicated at Adventure Land in Newburyport, Mass., where each day the history of that era is re-lived in vivid fashion.

Visitors to the recreation park always plan to take the short walk from "Dodge City" under the trestle of the "Comstock Railroad" to view the fort. The youngsters take particular pleasure in climbing the wall platforms of the fort to train their guns on any Indians who may be riding by planning to scale the wall.

They are reminded of the chapters in their history books which relate what took place in forts of this type more than 125 years ago. They were the center of American power in the west, a place of safety during the Indian wars. The cavalry regiments used them as a base to guard the trails of the covered wagon caravans bound for Oregon and California which were sometimes beset by attacking Indians.

The marshal and his men from "Dodge City" do double duty in supervising activities at the fort.

A day's outing at the "Theme Park" covers a wide span of entertainment for children of all ages.

In addition to Dodge City, Fort Apache and the narrow gauge railroad, the small fry enjoy the visit down the Storyland Trail to see the live animals and the life-size nursery rhyme characters including Jack and Jill, Hickory Dickory Dock and Mary and Her Little Lamb.

A picnic area is provided to make the day's family outing complete.

**ST. THOMAS' FIELD DAY
AND BAZAAR**

St. Thomas' Field Day and Bazaar is now in progress on the Rectory Grounds, and will continue through Saturday.

The carnival, with many special attractions will run, each night from 6 until midnight, and all day Saturday from 8 in the morning until 11 at night.

On Wednesday, Thursday and Friday nights, in Villanova Hall, a Bazaar will feature Fancy Work and Aprons a Country Store, Home Cooked Foods, Religious Articles, Hand Crafts, Used Books and Records, and White Elephant Table.

On Saturday there will be many interesting activities taking place, among them a Car Wash, conducted by the young men of the parish.

On Saturday morning starting at 10 a Country Auction will take place. Hundreds of articles have been donated for this affair and include such items as automobiles, furniture, antiques, and bric-a-brac. Mr. J. Henry Quinn will be the auctioneer. Refreshments will be available throughout the day.

One of the high-lites of this Field Day will be a delicious Chicken Barbecue, to be served on the grounds on Saturday from 4 to 6. Tickets are very reasonably priced and may be purchased at Villanova Hall any time. Half price dinners will be served to children.

The Wilmington Youth Canteen Inc., dance will be held on Saturday, July 25 with the 'Nite-Trains' at the Wildwood School at 8 p.m.

All teenagers---remember the good time everyone had at the last dance---don't miss this one.....

Don't forget the Wilmington Grange Bus Ride to Kingston Park, N.H. on Sunday, July 26. Buses leave Grange Hall at 9 a.m. and will return at 8 p.m.

Don't make any plans for Saturday, August 15, unless it will be to attend the Wilmington Youth Canteen Open Horse Show and Field Day at Jensen's Farm.

A full and exciting day is planned for all ages.

At a special meeting of the American Legion Auxiliary held last Monday, Mrs. Louise DeFelice was elected Chaplain.

Mrs. Mary White, chairman of the Gift Shop at Bedford Hospital at Christmas time,

has announced that plans for an early start on this project will be encouraged.

In previous years, a wonderful job has been done, but it is hoped that this year will prove to be something "special".

Anyone who would care to donate a gift or an amount of cash for this gratifying project, may do so by sending it to Mrs. Mary White, Beacon St. Wilmington, or any officer of the American Legion Auxiliary.

Remember, these gifts are for the veterans, and a special effort should be made by all.

Guess we've had our share of rain---but don't feel bad. The Carolinas have had rain for about six weeks steady!

Bob Hastings and John Ritchie, active members of the baseball teams in town, will umpire an out-of-town Little League All-Star game, at a future date to be announced later.

Have you attended St. Thomas' Bazaar and Carnival yet? Everything is ready and waiting for you after long-range planning. Take time out to enjoy yourself and support the Building Fund.

Tim Cunningham of Louie's Oil, is taking a brief vacation at the White Mountains.

May you have better weather than we have had.

QUANNIPOWETTS HAVE COOK-OUT

A very successful ham and bean cook-out was held by the Quannipowett players on the evening of July 18, at 569 Summer Ave., Reading, the home of member Nina Shulkey. About 40 people attended the event which featured a delicious amount of food readily consumed by all, followed by an evening of dancing.

The committee for the affair consisted of Evelyn Holmes, Margaret Masters and Mary Valpey.

The next event coming up for this popular theatre group is an all day outing in August to be held in Maine.

THE OTHER DAY

We got to talking about the Seven Wonders of the World, and it came out that there were actually five or six different accepted groups of them, each in its own time, including the first Seven Wonders compiled in the Alexandrian period, about 200 B.C. with others following, up to our modern Seven Wonders of the World including separate groups of industrial wonders.

The modern 7 wonders of the world were listed in 1931 as: 1. The Great Pyramid of Egypt and the adjacent Sphinx, (2700 B.C. or earlier). 2. Hagia Sophia in Istanbul, a church and later a mosque (completed about 600 A.D.). 3. The Leaning Tower of Pisa, (completed about 1400 A.D.). 4. The Taj Mahal of Agra, India, a mausoleum (completed in 1688 A.D.). 5. The Washington Monument in Washington, D.C. (completed in 1885). 6. The Eiffel Tower in Paris (completed in 1889). 7. The Empire State Building in New York City, (completed in 1931).

There also is a list of the seven wonders of transportation: 1. Automobile, 2. Streamlined Train, 3. Oceanliner, 4. Nuclear Submarine, 5. Airplane, 6. Jet Plane, 7. Rocket.

We might add an 8th wonder of transportation. He is the capable mechanic who can properly service and maintain the complex modern automobile. We've got some 8th wonders in our organization, thank goodness, and they are here to serve you.

LITTLE LEAGUE ALL-STAR TEAM

Players of the All-Star Team were chosen on Friday, July 17, which consists of the following 14 players:

AVCO YANKEES	
M. Anderson	K. Sarchione
R. Walden	L. Billings
INDIANS	
P. Emery	A. Trimarchi
P. Currier	E. Sullivan
K. Gunning	
TIGERS	
B. Ritchie	Z. Coombs
RED SOX	
J. Bevalacqua	J. Tennihan
B. Carney	

The Avco Yankees, managed by Tony Toti and coached by Bob Hastings Jr., won the Little League Championship. Mr. Toti will automatically manage the All-Star Team as his team was victorious.

Opening game for the All-Star Team will be held at the Little League Park on July 23, tonight, at 5:30 with the Colonial Acton Team.

If our All-Star Team wins this game, they then will play Abbot Valley on Saturday, July 25.

SEEKING IS BELIEVING. Dave Bergstrom, Shawsheen Avenue decided to beat the heat and wore Bermudas at the weekly Lion's meeting. Incidentally--only his socks were red--as he carried himself with no concern at all in spite of comments. Lower photo shows King Lion, Tony DeLuca about to introduce Mr. Irving Pfau of the Wilmington Youth Canteen who spoke on adult support for the Canteen.

"The Experienced, efficient private secretary of a big business tycoon says that single girls can tell you more about what husbands are really like than wives can."

"A committee is made up of the unready, who have been appointed by the unwilling, to do the unnecessary."

SWENSONS VISIT CONNECTICUT

Mr. and Mrs. Otto Swenson were recent guests of Mr. Swenson's cousin, the Rev. Emil Bergren, at the Statler Hilton Hotel in Hartford, Conn.

The occasion was the 100th synod of the Agastane Lutheran Church held there. Rev. Bergren's class of 1909 was honored, this being the 50th year of their ordination. Rev. Bergren was the guest speaker.

Mr. Swenson had visited when Rev. Bergren was a pastor in Buffalo, N.Y. Dr. Bergren hopes to retire soon and travel, but has many speaking engagements ahead. A very sincere and forceful speaker, as well as a powerful figure of a man, he holds his audience.

Upon his return home he and his wife were tendered a marvelous celebration of their golden wedding day.

AMERICAN LEGION MIDDLESEX COUNTY
